DOING GOOD WORK

Mary Ann Osborne, ssND, began her career in education decades ago in the grade school classroom. She has continued it for the past thirty years through wood carvings and woodcuts she does in her studio on the grounds of the School Sisters of Notre Dame campus in Mankato, Minnesota. Through her carvings, she relates biblical accounts, stories about the Blessed Virgin Mary, the Beatitudes, and the work of the Holy Spirit in ways that will help viewers enter the story. "I do believe God is leading me to touch people's lives," she said. Osborne's work can be viewed at www.sistermaryannosborne.com.
